## **Rancho Cordova Soccer Club Newsletter      October 2010**

### **Manager's Message**

Even in these tough economic times our club saw only a small decrease in the number of players registered this year! We again have about 1000 players on 70 teams this season playing for the Rancho Cordova Soccer Club. I would like to thank all the coaches, board members and parents who have volunteered so much of their time this year to make this season possible for our kids.

Remember to check out **ranchosoccer.com** in early 2011 for details on early registration, Select tryouts and information regarding the 2011 Fall season!

**Lea Lowrie**  
Club Manager

Our club will be hosting Grade 8 Referee classes in 2011 for anyone interested in becoming a referee. You need to be 14 years old to be a referee. Look for more details on our club web-site in early 2011 and in our March newsletter.

### **Jamba Juice Fundraiser**

Coaches will be handing out Jamba Juice swipe cards. Anytime you purchase a Jamba Juice 10% of the sales will go to the soccer club.

## Select Coach Applications

We are looking to encourage additional select teams. "Select" soccer is the next level up from recreational soccer. It is more aggressive and competitive than "rec" soccer. The players attend try-outs, and are "selected" to be on teams. The level of competition and play is more challenging. Teams can attend jamborees or tournaments in addition to the regular season of 10 games. Consider coaching a select team or having your kids sign up to try-out for select soccer.

If you are interested in coaching a select team next year you must submit a coaching application by Jan. 15, 2011 for consideration at our January Board meeting. The Coaching application is available on our club website under the "Coach" tab.

Select home games are played at the Mather Sports Complex on the beautiful artificial grass.
